- ¹Lateral locations and Sewer-Only Applications can be obtained at the City Engineer's office.
- IF STATE APPROVED PLANS ARE REQUIRED, PLANS & LETTER MUST BE SUBMITTED WITH PERMIT APPLICATION.
 - Sanitary sewer laterals are the responsibility of the property owner. The City of Waukesha will not field mark lateral ends.
 - We request that the outside sewer maintain a pitch of 1/8" to 1/4" per foot 15 feet on either side of the lotline for commercial and industrial jobs.
 - ****NEW PLUMBING WORK IS REQUIRED TO BE UNDER TEST AT THE TIME OF INSPECTION****
 - DOUBLE FEES SHALL BE CHARGED IF WORK IS STARTED BEFORE PERMIT IS ISSUED. This permit is in effect for 18 months from date of issue unless work is not started within 120 days of issue date, or activity ceases for more than 120 days, after which this permit shall lapse.
 - WORK COVERED BEFORE INSPECTION WILL BE REQUIRED TO BE TOTALLY EXPOSED FOR INSPECTION.

²**Any work associated with water main, including but not limited to: connections, services, taps, valve operation, lowerings, meters, or water use from hydrants, must be coordinated directly with Waukesha Water Utility. A Water Service Application is required for any new water service or service replacement. Waukesha Water Utility must perform all taps on our facilities and do not assume any water main is private in the City of Waukesha. Please contact Waukesha Water Utility at 262-521-5272 with questions.**
