SPECIAL EVENT PERMIT

CITY OF WAUKESHA / STATE OF WISCONSIN

WHEREAS the Applicant, ProHealth Care Foundation, has complied with the requirements necessary for obtaining this permit as set forth in the ordinances of the City of Waukesha; a permit is hereby issued to the said Applicant, pursuant to Waukesha Municipal Code §6.17 and §6.175.

EVENT NAME: RiverWalk for Cancer

2018 DATE(S): 5/4/19

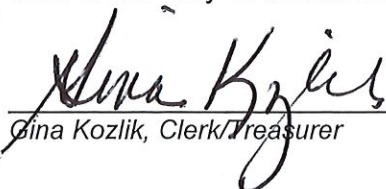

TIME: 10am to 11am (Event will assemble at 7am and disband by noon)

LOCATION: One lane of Moreland, south side (of bridge) between St. Paul and White Rock Ave. Barstow bridge only between Bank St., and Corrina / Riverfront Plaza.

Important Notes from City Departments:

- A. Please be aware that with the Moreland Bridge area under construction, that area may not be conducive to participants with strollers, wheel chairs or anyone with difficulty walking.
- B. Applicant to work with Police Department for placement of barricades if needed. WPRF is working with the utility to make sure they have made the pathways ready for the walk at the bridge on Moreland Blvd.
- C. This application was submitted 16 days before the event, not the required 20, because the alderman could not be contacted for approval, according to the applicant. In this case, submission at 16 days does not materially affect the public notice and objection periods, so in this case there is no prejudice to the public. **We do remind the applicant to be aware of application deadlines. Approval this year is not permission to submit late each year.**

Given under my hand and the corporate seal of the City of Waukesha April 23, 2019

Gina Kozlik, Clerk/Treasurer
